

Mobile Banking Setup

- If you have logged into online banking use the same username and password
- If you have not setup online banking follow the instructions. Your username has not changed.
- Temporary password is the last 6 digits of your SSN or TAX ID
- You will be prompted to change your password
- You are all set! Now you can use all the new features of our mobile app including mobile deposit, P2P Payments, Pay Bills, and Check balances!

If you need assistance please contact us.
